

Stained Glass Luna Moth

with Catherine Bruggeman

Monday, July 15th, 1 to 4:30

\$30 A3L members \$40 non-members,
plus \$16 supply fee

This unique project consists of pre-cut glass. This project is suitable for indoor or out. Students will clean, foil, flux, and solder their moth. Students will have the option of adding decorative wire or glass beads as well to make it their own!

All supplies are included. All glass is pre-cut and this is a perfect beginner class.
