

Glass in the Garden Workshop Series

# Dragonfly Suncatcher

## with Catherine Bruggeman

Saturday, May 4th, 1 to 4:30

\$30 A3L members, \$40 nonmembers, plus  
\$14 supply fee

New version of our dragonfly pattern - we added wire work and decorative soldering. We will also go over a patina technique to age our solder

to black if desired! Students will clean, foil, flux and solder glass then add hardware.
