

Stained Glass Saucer Flower

with Catherine Bruggeman

Wednesday, June 12th, 10 to 2
\$32 A3L members, \$42 nonmembers, plus
\$16 supply fee

This unique project consists of pre-cut glass petals and a crystal coaster. If you have a color preference for petals, make sure you designate that when you sign up.

This project is suitable for indoor or out. Students will clean, foil, flux, and solder their flower. Students will have the option of adding decorative wire or glass beads as well. All supplies are included. All glass is pre-cut and this is a perfect beginner class.
