This exhibit will be about catalysts that contributed to a work of art. The catalysts may be positive or negative---births, death, disease, completing a monumental objective, overcoming obstacles, etc. This show will be about what drives you as an artist.

This show will be judged. **First, Second and Third Place** ribbons will be awarded at the reception.

A **People’s Choice** award will be given at the end of the exhibit. Visitors cast their ballots during the time the exhibit hangs.

Winners will have their art featured on the A3L web-site, A3L newsletter and in the press following the exhibit.
